Care Clear 10

## **Product description**

Acid catalyst clear lacquer. This is a a general purpose lacquer for most wooden substrates. Fast drying lacquer sutible for fast production lines.

## **General information**

According to Swedish legislation we provide information regarding dangerous materials. The Safety Data Sheet contains facts about the components, primarily solvents and acids which present the dangerous characteristics. The Safety Data Sheet will be sent on request. All values and recommendations above are to be considered as guidance only. Many factors beyond our control may have an influence on the coating result. Should a problem arise, please contact us and we will advise accordingly. We reserve the right to alter the above specifications.
